TITLE I-A FAMILY ENGAGEMENT POLICY
2020-2021
BRUCE AIKEN ELEMENTARY SCHOOL**

I. STATEMENT OF PURPOSE

Aiken Elementary School is committed to providing quality education to every student in the district. Partnerships with parents and the community are essential to this goal as neither home nor school can achieve this goal independently. Everyone gains if school and home work together to promote high student achievement. Parents play an important role as children's first teacher and their support is critical to their children's success. Aiken School intends to include parents in all aspects of the district's Title I-A programs to create a school-home partnership that will promote student success.

Grade level goals for all children in Aiken School will be distributed to parents with the expectation that *all* students will work toward these goals. Aiken School recognizes that some students may need the extra assistance of Title I-A programs to reach these goals and is committed to providing that support.

IV. SCHOOL-PARENT-STUDENT COMPACT

According to Title I-A regulations, Aiken School must share responsibility with parents for high student achievement by jointly developing a School-Parent-Student Compact. This compact must outline the responsibilities of parents, staff, and students for promoting high student performance. Parents on Aiken School Advisory Committee/SBDM must be involved in designing the compact. Students' responsibilities may vary by grade level.

All parents will receive the compact from their child's school with a checklist of the responsibilities that teachers, parents, and students have for helping students achieve their goals. All elementary campuses will conduct a Parent-Teacher conference to discuss the responsibilities stated for all stakeholders in the S-P-S Compact.

Parents are urged to discuss the compact with their children before they and their children sign the document. The School-Parent-Student Compact will be posted on each campus website.

V. TYPES OF FAMILY ENGAGEMENT

Aiken School will provide opportunities for parent engagement for parents to become involved in their children's education. Aiken School values both the at-home contributions of parents and those that take place at the school or in the community. Reading to children at home and talking with them at family meals are as important as volunteering at school and serving on advisory committees. Many types of family engagement are needed in school-home-community partnership to help all children succeed. In alignment with BISD's philosophy and mission, each Campus Improvement Plan (CIP) must include a family engagement component. All parent and community volunteers must comply with the district policy regarding State of Texas background checks.

Parents may also call the Parent and Family Engagement Department or the individual school office to express an interest in a particular workshop topic or to make recommendations about the program.

Parents are encouraged to take the initiative in calling their child's teacher or campus administrator when they have a concern. This committee will collect information in a variety of ways, including campus visits and class observations.

Parents will also be asked for their input on the content and effectiveness of the Title I-A family engagement programs through an annual evaluation of the program. The evaluation will include an assessment of overall increases in family engagement and barriers to parental participation that still need to be overcome.
